

# Using MLS

## The Library Catalogue

The Library Catalogue is a database that lists all of our books and websites. You can also view your account, reserve books and write a book review.

You can search the Catalogue from any computer in school by clicking on the **MLS** icon that appears on every desktop.

### How to search the Catalogue:

In the Search box you can enter the **Author, Title** or **Subject** to find a book or website.

The Class No. is the location where you will find the book in the library. **MEDIA** identifies a website, double click on the title to open. Double click in the URL link through to the website.

### Fiction

<b>Q/R</b>	Quick Read	●
<b>JF</b>	Junior Fiction	●
<b>F</b>	Fiction	●

### Non- Fiction

These books will have their own individual Class No.

- Available to borrow
- This item is reserved
- Copies stocked in Library
